

On the petition form, "classification" is a combination of your level of training plus your college.

Levels of training are:
7 = pre-Masters
8 = post-Masters and pre-PhD

Colleges are:

HH = Health and Human Performance
HP = Public Health and Health Professions
LS = Liberal Arts and Sciences
MD = Medicine
NR = Nursing
PH = Pharmacy

So, someone who is pre-Masters in Liberal Arts and Sciences, for example, should enter "7LS"
